Re: U.S. Patent Application No. 10/043,047, filed January 9, 2002
Our Reference: SAM-0204
Deposit Account No.: 501798

Dear Sirs:

After reviewing our June 2002 Monthly Statement of Deposit Account (copy attached), we noticed a charge in the amount of \$920 in the referenced patent application. The fee code 117 indicates that the charge was for an extension for response within the third month. We believe this charge is in error, and we request that the change be reimbursed to us via a credit to our deposit account.

On June 12, 2002, applicants' attorney noted that the expected receipt of a Notice to File Missing Parts of Nonprovisional Application in the present application was overdue. Accordingly, Ms. Lisa Sanders of the office of the applicants' attorney contacted the Office of Initial Patent Examination (OIPE) customer service department by telephone on June 12, 2002 to determine status in the application. A representative from the OIPE informed Ms. Sanders that a Notice had been issued on February 7, 2002. A facsimile copy of the Notice was transmitted to the applicants' attorney on June 12, 2002, which was the first such Notice received by the applicants' attorney.

In view of this, the applicants filed a Petition for Resetting Period for Reply Under 37 C.F.R. § 1.181 on June 18, 2002, requesting that the period for reply of the Notice be reset to run from the date of receipt of the Notice at the correspondence address indicated on the Notice, namely June 12, 2002.

Consideration of the Petition is respectfully requested, along with a credit to our deposit account 501798 in the amount of \$920. Please feel free to contact us if we can answer any questions regarding this matter.

Very truly yours,

MILLS & ONELLO LLP
